

## EMPLOYMENT OPPORTUNITY

---

With the  
**CALIFORNIA DEPARTMENT OF FISH AND GAME**  
**Central Valley Angler Survey**

---

**Position:** Fish and Wildlife Scientific Aid (4 positions)  
**Location:** Sacramento, CA  
**Salary:** \$11.20 / Hour  
**Duration:** Limited to 9 months or 1,500 hours per year  
**Description:** Assist with the collection of data to estimate recreational sport fishing effort, harvest, and distribution in the Sacramento-San Joaquin River system.

---

### TYPICAL TASKS

These positions are part of a team evaluating effort and harvest in Central Valley recreational sport fisheries including Chinook salmon, steelhead, striped bass, American shad and sturgeon. Duties include: operation and maintenance of motor boats, kayaks, and vehicles to count and interview anglers; collection and management of fishing effort, catch, and biological data following detailed protocols; and maintenance of sampling gear. Sampling occurs on the American, Feather, Sacramento Rivers and Yuba Rivers.

### DESIRED QUALIFICATIONS

- Professional or personal experience with safe and responsible operation of motor boats.
- Good time management skills.
- Experience with field data collection.
- Knowledge of local sport fisheries and basic sport fish identification skills.
- Ability to interact and communicate successfully with a diverse public.

### MINIMUM QUALIFICATIONS

- Possession of a valid California driver's license.
- Equivalent to completion of two years of college (60 semester units) with a minimum of 10 semester units in biological sciences and/or chemistry.
- Ability to accurately collect and record data in the field.
- Applicants must be able to lift 40 lbs, swim 50 yards and stay afloat at least 5 minutes, perform strenuous fieldwork, work in remote areas, and in adverse weather.
- Must be willing to work long, irregular hours, including early mornings, evenings, and weekends.
